The New Jersey Food Council and New Jersey Retail Merchants Association are preparing for another insightful Loss Prevention Conference on Thursday, November 1, 2018 at the Forsgate Country Club, Monroe Township, NJ. We have a wonderful program planned for the day and expect to have a ballroom full of loss prevention professionals representing some of the top grocers and retailers attending the event. This will be a great opportunity to present the latest in technology, services, and products in the loss prevention and security industry.

The goal of this conference is to help the retail loss prevention community tackle progressive loss prevention and security issues, and network with law enforcement officials. Our program will reflect the challenges they face every day. Below is a list of past retail associate attendees.

Back by popular demand, we will offer a great benefit to exhibitors that will surely get your booth noticed. As we start the program each vendor will have a minute to present an elevator speech to the audience introducing your company's product or services as it relates to the food and retail industry.

To draw more attention to your booth, we will be holding a Vendor Bingo this year. Attendees will present a bingo card to each booth in any row of the card to receive a mark, when they do their card will enter a raffle drawing to win a prize!

This year we will be adding an informal reception at the closing of the event so that retailers and exhibitors may have an additional opportunity to network.

An exhibitor and sponsorship registration form (to pay by check) is below, but you could also register online with a credit card at njfoodcouncil.com. This year, the position of the booths will be based on the order of registration, so please register as soon as possible for the best visibility. Also below is a list of past retail attendees.

If you have any questions please do not hesitate to contact me at 609-392-8899. I look forward to working with you and having a wonderful experience at the 2018 Northeast Regional Loss Prevention Conference!

Thank you,
Barbara Yuson
NJFC Event Planner

P.S. If you have any specific requirements for your booth/table set up, please let me know so that I can make sure you have them available for you. I highly recommend setting up your booth the evening before, Wednesday, October 31, so that if you feel you need to move, rearrange, or if you have a detailed set up, you will have plenty of time to make these changes. The morning of the event can be hectic as the doors open at 8:00 a.m.
