## **RAYMOND J. MANIACI EDUCATION SCHOLARSHIP PROGRAM**

A goal of the New Jersey Food Council (NJFC) is to provide scholarships to students, employees and families of NJFC member companies and staff. This program will provide member benefit investment in the future of the food industry and families of NJFC.

### **ELIGIBILITY & SCHOLARSHIP AWARD**

Those eligible to apply are New Jersey resident students of Saint Joseph's University who are food marketing majors. The applicant or the parent(s)/spouse of the applicant must still be employed by a NJFC member company or NJFC at the time the winner is selected. Graduate students are not eligible to apply for this scholarship. **Previous recipients of the Raymond J. Maniaci Education Scholarship Award may not reapply.**

The Raymond J. Maniaci Education Scholarship Award is in the amount of \$5,000.

An average grade of B or better must be attained and confirmed.

### **SELECTION OF WINNERS**

A Selection Committee comprised of the Maniaci Family will meet in the Spring to select the winner. In evaluating the applicants, the committee considers the applicants' grades, written essay, letter of recommendation and financial need. Students must be in good standing and free from disciplinary actions. The winner is selected largely on the basis of academic merit with a B average or better, essay, letter of recommendation and financial need. (Demonstration of special financial need is weighted higher.) All applicants are notified of the results by the end of May.

### **PROGRAM ADMINISTRATION**

To assure complete impartiality in the selection of the winner and to maintain a high level of professionalism in dealing with students and parents, the Raymond J. Maniaci Education Scholarship Program is managed through oversight of the NJFC Education Scholarship Selection Committee.
